

MP Candidate Dr Aujaé Dixon Expresses Condolences to the Families of Lennon High School Students

Kingston, Jamaica. December 3, 2024: Member of Parliament Candidate for North Central Clarendon, Dr. Aujaé Dixon is expressing condolences to the family and school community of the two students of the North Central Clarendon-based Lennon High School who tragically died in a motor vehicle accident yesterday.

"The incident is jarring and horrifying. My heart sank a million times upon seeing the lifeless bodies of the two students. No parent should send their children off to school and be met with such horrifying news," said Dr. Dixon who assisted the injured students and commenced emergency care.

Dr. Dixon urges drivers to maintain caution on our nation's roads to reduce the senseless loss of limb and life.

In light of allegations that one of the vehicles was being chased by officials of the Transport Authority, Dr. Dixon urges the authorities to thoroughly investigate the allegation and if proven to be true, ensure that the full force of the law be made to bear on not just the driver of the fleeing vehicle but also on all those found to be responsible for that reckless and egregious act.
