

Statement from Councillor Dennis Gordon

Kingston, Jamaica. December 28, 2024: In light of the commencement of an investigation by the Kingston and St. Andrew Municipal Corporation (KSAMC) into the approval process for a development on Lyndhurst Road involving my company, I have decided to recuse myself and withdraw from the Building and Town Planning Committee and to relinquish the chairmanship of the Finance Committee, with immediate effect.

This decision is made in recognition of and support for the efforts of the current administration of the KSAMC to strengthen governance procedures.

The decision is made even though my company has taken the required steps to regularize the status of the development, as I remain fully committed to upholding and supporting the principles of transparency, accountability and good governance in the administration of the KSAMC.
