MP Candidate for South East St. Elizabeth, Councillor Norman Scott, Condemns Exton Main Road Blockade

South East St Elizabeth, Jamaica. January 06, 2025: MP Candidate for South East St. Elizabeth, Councillor Norman Scott, acknowledges the significant inconvenience caused by the blockade of the Exton main road this morning. The disruption has affected residents, commuters, and businesses in the area, causing undue stress and delays. Councillor Scott recognizes the impact this has had on the daily routines of the people in the constituency and expresses his empathy for those inconvenienced.

However, it is important to make it explicitly clear that no member of the People's National Party (PNP) was involved in or supported this disruptive action. The PNP, under the leadership of our candidate for South East St. Elizabeth, remains committed to peaceful dialogue and constructive engagement. We believe that progress and change can only be achieved through peaceful means that promote unity and understanding within our communities.

The PNP is dedicated to addressing the genuine concerns of the people of South East St. Elizabeth, focusing on the development of the constituency and the well-being of its residents. Our priority remains to work together with all stakeholders to improve infrastructure, create opportunities for economic growth, and ensure that every voice is heard.

We stand firm in our commitment to providing the leadership and representation the people of South East St. Elizabeth deserve. Let us all unite in the spirit of progress, moving forward with respect, cooperation, and a shared vision for the future of this great constituency.
